### *Adieu*

To the dearest school we've ever known  
We now must say good-bye  
We hate to leave the dear old friends  
We've known at Virginia High.  
The gay times on our outings,  
The banquets every year,  
The teachers, too, who worked with us,  
They all now seem so dear.

We wish much luck and joy,  
To the dearest classmates ever known  
We hope we've been the senior class  
That you've been proud to own.  
And as this year draws to a close  
Best friends must part at last,  
But well we know the future holds  
Fond memories of the past.

GAY BARLOW, Class Poet

# *Through the Years*

As the Pilgrims in 1620 were awe-stricken when they landed on strange soil in the New World, so were we seventh and eighth graders when we entered Virginia High in 1948-49. We, too, were afraid to venture very far from our rooms, but at last, the first proof of our courage was shown when we presented the seventh grade operetta. From then on we felt more secure and self-confident.

With Miles Standish as their leader, the Pilgrims felt very secure, and so we, too, became more sure of ourselves when Jerry Kress was elected president of the Freshman class. Since this was our first year in high school we could begin to participate in clubs and sports and choose our own classes.

As Sophomores we really began to get into the swing of activities. Again Jerry Kress was chosen to lead the class as it ventured into new fields.

The test of our durability came in our Junior year when we were called upon to sponsor many outside activities. With the help of Duke Godsey, our president; Miss Anderson, our play director; Miss Porter and Miss McCoy, our class sponsors, the Junior Class successfully gave the comedy, "Beauty and the Beef," presented the spring festival around the theme of an old southern plantation, and lastly honored the Seniors with the Junior-Senior banquet.

After being at Virginia High for five years, we felt very proud and happy to be Seniors. Richard Luttrell was elected president of the Senior Class and Nancy Oakley was honored by being elected to the office of President of the S.C.A. Among the highlights of our last year were receiving our class rings, awaiting the time when we would govern the town for a day, anticipating and preparing for the trip to Washington, and finally, that day for which we had so long looked forward—graduation.

Although we were happy to be graduates, there was sadness in our hearts, not only because we were leaving, but because this would be the last year any class would graduate from "Dear Old Virginia High." Much to our delight a new school had been erected for the many eager future students.

We have studied and we have had our fun, but now is the time for us to choose the road upon which we must travel to discover unexplored land, to conquer all its hidden treasures, and to dream dreams of the future, for it is only through dreams that reality comes.

# Prophecy

The other day we, Howard Shagnasty and Barney Carbuncle, started hitch-hiking across the U. S. on a nation-wide tour sponsored by the "Moose" club whose president is "Moose" Kress, and whose agent is Walton Umholtz. Other 20-year members included in the celebration are: Joe Zint, Elvin Plaskie, Genevieve Crumley, secretary, and Robert Saddler.

We started out on Saturday; I remember, because Charles Almond made his Ballet Debut in the Paramount Theater. Bill Eades also married Mary Ball at six o'clock Saturday morning. I remember that because Jim Wilson, Mayor of Bristol, and Bettie Kell were present for the double ring cremation.

We got a ride in front of Paul's Place No. 2 (now run by "Lemon" Ingle) with Jere Pruner, a former D. O. student. First stop was Abingdon. Guess why? You can't! Well it seems there was a sale of suits at John Dickey's and Warren Thomas's clothing store.

Going on to Marion (dig that crazy mixed up town), we saw walking down the street nurses Gay Barlow and Pat Hamilton, with head nurse Phyllis Meade. They are trying to help Eugene Ruble and Celeste Dickson with their math classes. Esther Keys and Anna Lou Sauls are teaching at the new Marion High School, also. They told us that Loretta Keesee and Richard Luttrell are at Shady Grove teaching ninth graders from Marion. Then we caught a fast plane piloted by Bill Bonham to St. Louis.

There we saw Phil Keller and Wendy Strong in the Undertaking Lodge talking with Nancy McReynolds, Violette Grindstaff and Mary Lou Good. They want some new recruits. In St. Louis we found Shirley Smith, Betty Trinkle, and Phyllis Lester running a Fashion Shop with Pansy Worley and Billie McNamara as models.

From here we caught a ride with Doris Rust, who is running a mink farm of her own to pay President Duke Godseys' taxes-\$1.25 for \$1.00. We owe \$10,946,091 already for the last ten years. J. Edgar Hoover has retired and given his job to Kenneth Keith with offices in Wayne O'Dell's office building. Kenneth Kistner now the president of the N.P.C.A. (newspaper carriers of America) is making good. He even sold Patsy Wright one.

Next we were in Detroit. Now there's a real lively community. Fast growing too! Peggy Simmons owns a flower garden here. Working for her are Barbara Price, Lois Wright, and Tony Mumpower.

Don McCroskey is an auctioneer at Cadillac Square in downtown Detroit. His assistant is Elmer Richardson. I just heard they sold Billy Craft and Joe Campbell a new 1974 Cadillac. Louise Pyle, who has taken Marilyn Monroe's place in the movies, was giving a command performance.

After we left Detroit we went to Niagara Falls. There we saw Barbara Semones White with hubby Norman, still on their honeymoon! Ah, love! Amelia Nave was there with her fiance.

On our way to the middle west by air we passed two of the biggest birds. Stewardesses on the airplane were Reba Fleenor and Pauline Shelley, two high-flying young ladies.

We landed at Bean Junction and were met by constable Carns Mullins and deputy sheriff Allan Lawson who were accompanied by their cow "Daisy". After speaking to these friends we took off to Bolling Gulch, named after its founder, Eddie Bolling. Among the occupants of this quiet town are Benny Canter, druggist; Jimmy Flick, spaceship mechanic; Robert Calhoun, editor and publisher of the "Little Gulch." News reporters are Joan Morrell and Sarah Neblett, loaned to them by the "New York Times." Eleanor Maine is teaching the local tribe. Assistant principal, Shirley Hutton, hired two new teachers recently. They are Shirley Bellamy and Billie Jane Keith. Barbara Herndon also has her application in for teaching Government. The Mixed Chorus, under the direction of Sue Umberger, made its debut at "DoDo" Patrick's birthday party given by Retha Barlow. Patsy McCroskey and Shirley Pendergrass were present. Louise Etter and Marilyn Ringley gave her a bottle of the famous perfume "Blue Waltz", accompanied by an air purifier.

Grabbing the next plane we went for a spin to Kalamazoo and here we found a circus. Rosemary Kingsbury finally realized her life-long ambition, as the keeper of the monkeys. Shirley Rosenbalm and Barbara Bouton are co-owners. Connie Kennedy is the master of ceremonies.

After this we started for the "Golden West" where men are men and women are women. Peggy Boring and Jack Kress, now man and wife, are running a chicken farm in Death Valley, California. Betty Jo Galliher, Annelle Richardson, and Carlanna Lindamood have a beautiful horse ranch in Fort Worth, Texas. In Las Vegas Patsy Barker is a cigarette girl in the night spot, "Last Chance Palace." Gloria Leonard is head consultant of a summer camp in Phoenix. We met Roger Duff who is now "Friday" in the Radio Drama, "Dagnet." Also in Los Angeles, Frank LeSueur is police chief. Roger tells us that Doris Griffin is a D.O. teacher up in Spokane. Back toward Virginia we traveled and stopped in Lu Lu Valley, Arkansas where Marv Almany and Bob Almond are co-owners of a pin ball machine company. Ray Phillips is instructor at the Wichita Kansas Y.M.C.A. Harold Clark is a shoe salesman in Nebraska. Russell Falin is a catcher for the St. Louis Cardinals. Jackie Wade dragged Jim Jo Balthis to Indiana State Teachers College. There she is Physical Education Instructor. Bill Hager is with the F. B. I. Lee Buchanan took Gabriel Heater's mail bag and is Mutual's News Correspondent.

Bobby Barrett is the owner of the "Scrap Iron" car lot and his chief mechanic is C. J. Kyle. Martha Poor is teaching English at Possum Creek. She told us that Vernon Leonard is still plotting cross sections

at the Highway Department. Also that Tommy Mobley is still working at Courtesy Ice Cream Store. Jim Arnold, baseball radio announcer over Mutual's "Game of the day," is living in Cuba in the winter, David Webster and Richard Lee are playing with him. James McDevitt is now head mechanic at McClure Motors. In Hialeah, Florida, we find that Ken Phillips and Bobbie Jean Pearson are married and Kenneth is a horse jockey. Louise Akard is advertising Old Gold cigarettes. Pansy Wolfe is playing the leading role in "I Love Pansy," a new radio series. Betty Burnette is stage instructor and Thelma Cross is head of the dramatics school from which they graduated. Wanda

Carmody is a very bright star in "Broadway Shows," sponsored by the husband of the former Barbara Haire. Patsy Haga, I hear, is selling classic plays to these show men.

Nancy Oakley invited us to dinner at her estate in the Rocky Mountains.

Well, here we are in Bristol once again. . Had a lovely time didn't we?

## SENIOR S. C. A.

The Senior Student Cooperative Association is the link between the individual student and the school authorities. It is headed by officers elected by and from the student body.

The S.C.A. has had many and varied projects. The most important of these was to sponsor the student letters given to the most outstanding seniors. Another project was the sale of candy at lunch. Each club sells for one week at a time and

the profits go to the clubs in equal shares. It sponsors "The Little Virginian," the school newspaper. The S.C.A. also sold "Bearcat" signs for cars and kept a weekly church attendance record.

The officers for the year were: Nancy Oakley, president; Ann Whicker, vice-president; Doris Leonard, secretary; Dickie Green, treasurer; Duke Godsey, reporter; and Mrs. W. W. Fillinger, sponsor.

The outstanding projects of the club this year were: contributing extra money to the Kentucky-Tennessee district expenses; sending magazines to the hospital; selling basketball programs; sponsoring College Day; entertaining the Kiwanis Club; selling tickets for the Kiwanis Concert; and sharing Christmas with a Santa Pal. The club plans to give something to the new school.

Attendance at the State Beta Club Convention in Richmond was one of the outstanding events of the year. Other projects of the year included the sponsorship of a Talent Show and of a Santa Pal; the selling of concessions; and the sale of hosiery and stationery to supplement funds. An outing, held in the spring, was the major social event of the year.

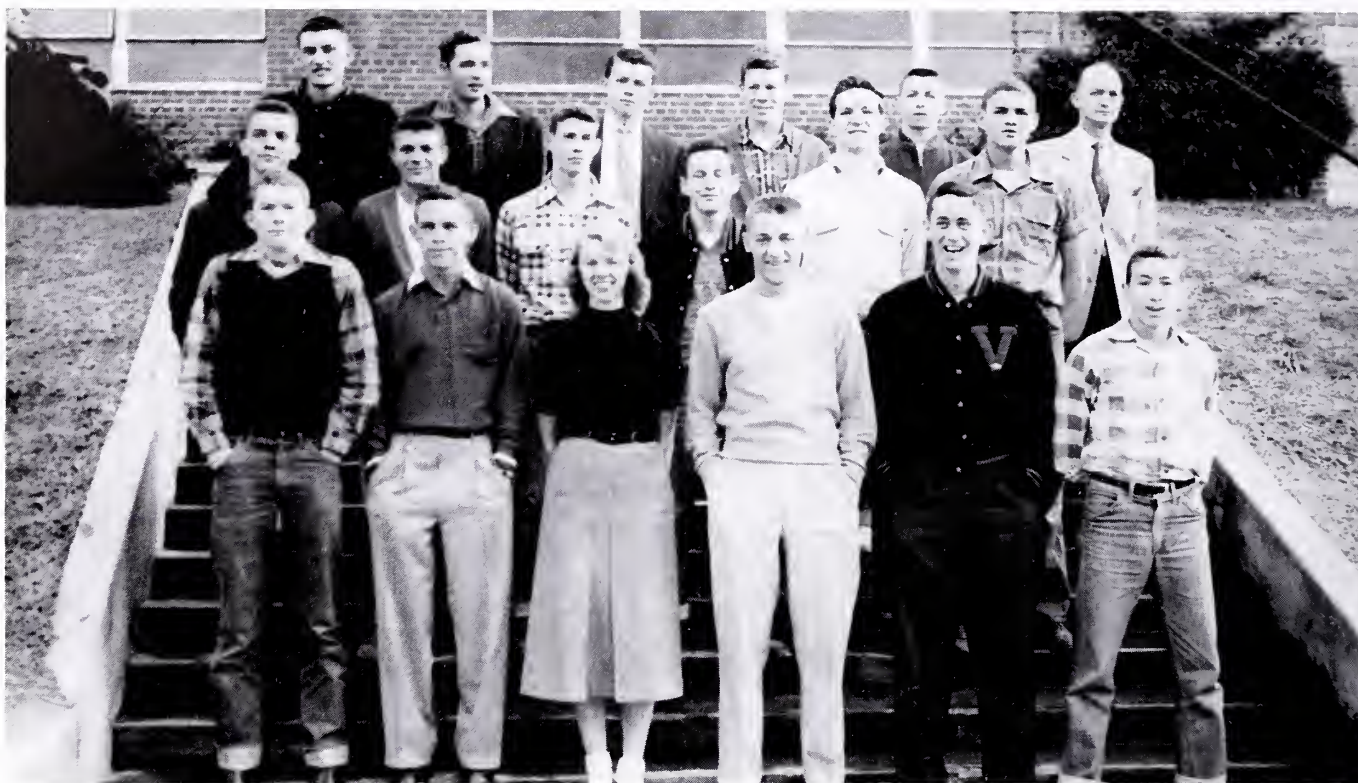

Miss Etta Hillman served as sponsor and the following officers were elected: Robert Calhoun, president; Eugene Ruble, vice-president; Gay Bar-

low, secretary; LaVerne Sawyer, treasurer; Nancy Gobble, reporter; Vernon Leonard, sergeant-at-arms; and Elinor Rollins, chaplain.

*Is Lee a good instructor, Miss Anderson?

As the club is primarily a Christian organization, its members attended church with the Boys' Hi-Y once a month.

ship in the school and community. Close contact with the parent club was maintained by sending two members to the Senior luncheon each Monday.

*Is the lunch good?*

Membership, limited to twenty, is filled by a majority vote. Some of this year's activities were as follows: the "Mr. Football" contest; cleaning of the trophy case each week; a bake sale; a Santa Pal at Christmas; and the Boys' Inter-Class Tournament for those unable to compete in inter-scholastic basketball. Outings and dances were held as social activities for the members.

Under the fine guidance of Mr. King Gaut, the club sponsor, and the outstanding leadership of its fine officers, the 1954 Junior Civitan Club has indeed had a successful year.

With these words guiding the club, much has been accomplished. The activities for the year included sending large boxes of food to the Good-Will Center at Thanksgiving; taking a Santa Pal with the Junior Civitan Club at Christmas; sponsoring a Christmas dance jointly with the Girls' Hi-Y; holding a bake sale; attending church together every two months; having a devotional every meeting; presenting an assembly program; sending a "Care Package;" and placing a tree on the campus of the new school.

Kreiner. It accomplished many things this year, among which was, participating in the district seven music festival at Dublin. Here the club received top honors.

## DIVERSIFIED OCCUPATIONS

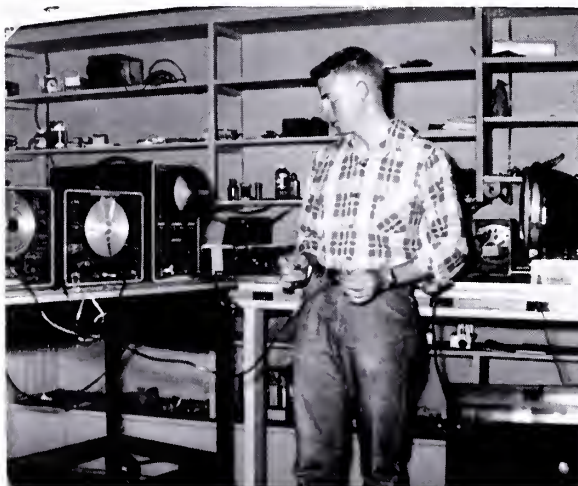

When a person thinks of the Diversified Occupation Club, does he think of the most over-worked, or the fast-turning-gray students in school? The answer is decidedly—No! The members of the D.O. Club are not necessarily the “brainiest” or the “wittiest;” but they are perhaps the most typical of America.

The D.O. students are those who have part-

time jobs as auto mechanics, sales clerks, general office workers or in almost any field in which they are interested.

Mrs. Boyd served as sponsor to the club, and the officers for the year were: Benny Canter, president; Doris Griffin, vice-president; Ralph Hicks, treasurer; Vernon Leonard, secretary; and Eleanor Maine, business manager.

## FRENCH CLUB

In two years the French Club has become one of the most active clubs in school. Its purpose is to stress interest in French throughout the school.

*A few activities.*

The biggest achievement of the year was the placing of a large bulletin board in the second floor hall.

The members collected food for a needy family at Thanksgiving and again at Christmas. They also played "Santa" to the children and sent a CARE package to Korea.

The students corresponded with French speaking students in Europe and in this way found out a great deal about their customs and language.

With Mrs. DeBusk as sponsor the club was led by Annelle Richardson, *president*; Helen Livingston, *vice-president*; Doris Leonard, *secretary*; Lily Trinkle, *treasurer*; and David Leonard, *club council member*.

*Our first meeting.*

The club is affiliated with the National F.H.A. and has local, national, and international projects.

The Smyth, Washington and Scott counties federation meeting was held at Virginia High in October of this year. At that time packages were gathered for unfortunate children overseas. In addition to this the club gave a Thanksgiving basket to a family of Bristol and adopted a Santa Pal. To add to the club's funds a bake sale was held. Pictures and articles telling of the work of the club on these projects were contributed to the state paper, "Homespun Yarns," and to the S.W.V. Federation scrapbook.

## F. B. L. A.

The Future Business Leaders of America was organized in 1951 with only 10 members. The membership has grown until it has a total of 28 members.

The purpose of this organization is to create better understanding of the business world and to develop skill and knowledge that will lead to the development of successful business leadership.

The F.B.L.A. has participated in many outstanding activities this year. It was in charge of the luncheon of the F.B.L.A. Convention held in Roanoke, March 27. The club has contributed clerical services to the faculty, maintained a Coca-Cola machine in the faculty lounge, sold home-made candy, and given freely of its time when called upon to help other clubs and organizations.

The officers for 1953-54 were Pansy Wolfe, president; Edwina Feathers, vice-president; Lo-

retta Keesee, secretary; Linda Eller, treasurer; Shirley Hutton, reporter; and Mrs. Mildred Creger, sponsor.

## Tournament Scenes

## Basketball Summary

Coach Coleman's Bearcats have much to be proud of this season. They not only won the district tournament, but also went as far as the finals of the State tournament played at Blacksburg, Virginia. The team had a record of 20 wins to only six defeats.

The Bearcats started off the season by going undefeated for six straight games. Next they were upset by Holston Valley in a 46 to 45 thriller. They came back to defeat Marion 63 to 35, but went down to a Bluff City quint by a score of 65 to 59. Then came the first game in the city title series in which they defeated the Vikings in a 59 to 52 thrill-packed game. In the remaining games the Bearcats went undefeated in district play, but were beaten by Blountville and Tennessee High in the meantime.

### DISTRICT CHAMPIONS

In the district tournament played at Richlands the Bearcats were undefeated. Glade Spring,

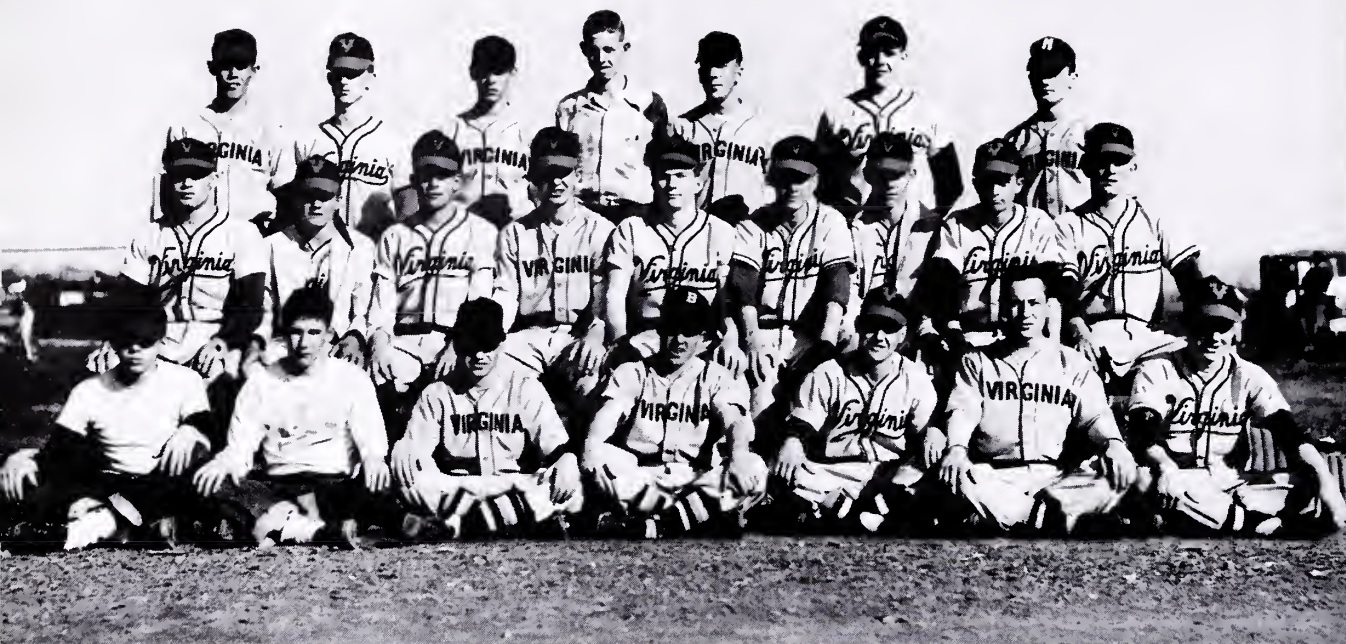

Graham, Grundy, and Pocahontas in turn fell before the powerful Bearcat team. With the district title safely tucked away the Virginia High Bearcats travelled to Blacksburg, Virginia to compete for the State Title.

### STATE RUNNERS-UP

Here they met Wise in their first game and hung up a scrappy Wise quint by a score of 52 to 49. Their next game was with the Churchland "Truckers" who, up to this time, were undefeated, but the Bearcats strode by them 70 to 55. This put them in the finals with the powerful William Fleming team of Roanoke. Hampered with injuries they were beaten by the tall Fleming team by a score of 71 to 58.

Bill Eades, a scrappy Bearcat guard, was placed on the All-State team. Wayne "Leaf" Ingle and Wallace Hutton made the second team for their fine ball handling.

## SARAH NEBLETT

Sarah would be an asset to any school, but to the seniors of 1954 she has been an indispensable part of the class.

Sarah has shown her outstanding qualities of leadership by her participation in many school activities including Secretary of the Senior Class, Vice-President of the Girls' Hi-Y, and a member of the Beta Club, Spanish Club, and *The Little Virginian* staff.

# Superlatives

## CARLANNA LINDAMOOD

Carlanna has been an inspiration to the class with her splendid scholastic ability. "Carl" is by no means a "one-sided brain," but can be commended for her work in all her subjects as well as for her other activities.

Her spare time has been taken up largely by her work as co-editor of the *VIRGINIAN*, and also by her participation in the Girls' Hi-Y, Beta Club, French Club, and Little Virginian staff.

## ANNELLE RICHARDSON

Annelle is one person in our class who can be counted on for anything. She has worked on every job, large or small and turned in a creditable performance.

She has served as co-editor of *The Little Virginian*, President of the French Club, Secretary of the Alpha Foundation, and Band Sponsor. She is also a member of the Beta Club.

## PEGGY BORING

Peggy Boring, as head cheerleader, has been back of Virginia High in sports and in all other activities. This spirited girl is a natural leader and would be an asset to any class.

She is also President of the Girls' Hi-Y and an officer in the Girls' Glee Club and Girls' Monogram Club.

## PATSY WRIGHT

"Petite and sweet" would describe Patsy Wright very aptly. Her friendly smile offers a welcome to everyone at Virginia High.

She has made herself quite a record in the "Big Orange Band." She has made all-state band and been head majorette along with being President of the band. Patsy is also a member of the Spanish Club, Physics Club and the Beta Foundation.

## RICHARD LUTTRELL

Richard "Barney" Luttrell, the President of the Senior Class, is one of the best all round people at Virginia High School. "Barney's" ready smile and happy spirit would be an addition to any school.

Some of his other activities are Sweetheart of the Girls' Monogram Club, football, and membership in the Physics Club, Civitan Club, and the *VIRGINIAN* staff.

## ROBERT CALHOUN

Robert Calhoun is a likable boy and a brilliant student. He holds a high position of honor as President of the Beta Club.

He is an ardent member of the "Big Orange Band" and has been a member of the all-state band for four years. Along with these activities, he is a member of the Spanish Club and literary editor of the *VIRGINIAN*.

## JIMMY WILSON

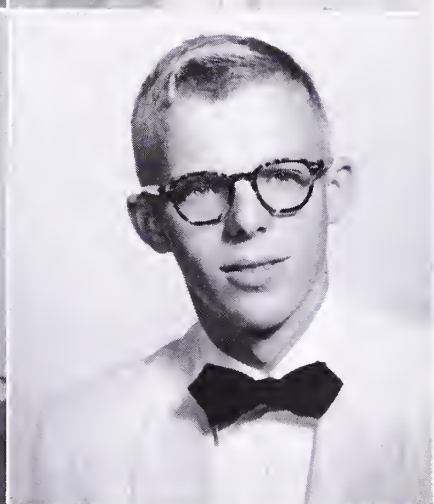

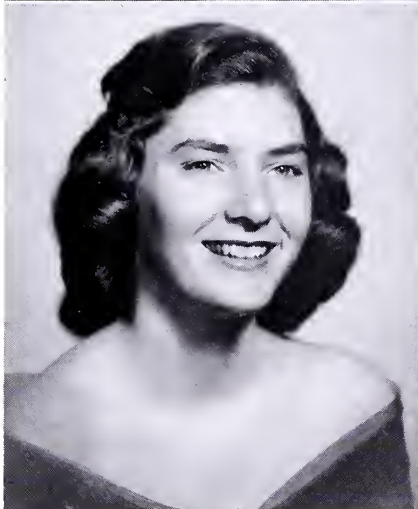

Jim came to Virginia High in the eighth grade and has become a favorite member of the class. He always seems to have a good word for everyone, no matter what the conditions.

His chief job is that of President of the Boys' Hi-Y, and his favorite job that of Sweetheart of the Alpha Foundation. He is also a member of the S.C.A., Physics Club Secretary, and a varsity member of the football, basketball, and track teams.

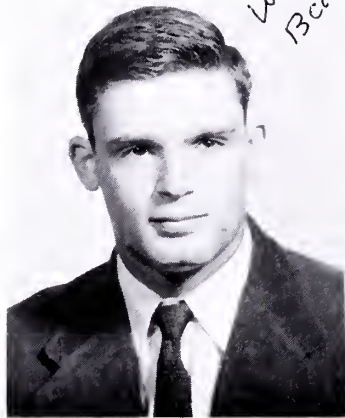

## RICHARD LEE

Richard Lee is a typical high school senior. This quiet, likable boy has added much to Virginia High in his years here.

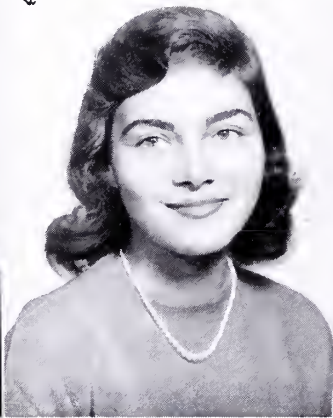

Besides being President of the Physics Club, Richard is a very active member of the Key Club. He is sure to go far in whatever he enters after graduation.

"Candlelight and Silver" was the theme of the banquet given by the Bristol Virginia Education Association in honor of Mr. and Mrs. Joe Van Pelt on the eve of their silver wedding anniversary. It was also a tribute to Mr. Van Pelt, who had recently been installed as President of the State of Virginia Education Association.

On this occasion Miss Doris Neal, the Bristol Association president, presented the beautiful candelabra shown in the picture to Mr. and Mrs. Van Pelt as a token of love and esteem of the entire membership of the association.

# A CHALLENGING FUTURE

Awaits You in Textiles.

The world's oldest manufacturing industry—textiles—is today one of our most exciting and challenging industries, producing revolutionary textile products with qualities which men have sought for centuries. Man-made fibers, new products of the chemist's test tube, have been a major contributor to this textile progress.

A small textile producer in 1923, Burlington Mills is today one of the world's largest producers of synthetic fabrics, and is a recognized leader in the designing, development, research, merchandising and fashion fields as well as manufacturing.

If you are a young man or woman looking for a place in industry, we think you should consider textiles—and Burlington. It can hold a bright future for the person with the willingness to learn, ability to work, and a natural interest in this fascinating and competitive field.

# Dear Diary

Dear Diary,

## September

September is here and we're back at V.H.S. Looks as if this will be some year because big doings are already on. The first dance was given in the gym after the Abingdon football game by the cheerleaders.

## October

The Tri-Hi-Y held a dance in the gym after the Johnson City ball game with the Johnson City student body invited. Our Mixed Chorus surely has become well known. They're making a name for themselves from Bristol to Richmond with their marvelous singing. We guess the highlight of this month came the very last day of the month for almost all the student body could be seen.

## November

Beat, Beat Tennessee, has been the cry around school all month. At least our yelling did beat them, for at the Joint Pep Meeting V.H.S. came out with a mighty roar to again bring home the cheering trophy. After the game a dance was held in the gym where Peggy Boring and Harold Clark were crowned Football Queen and King.

## December

December third, a College Day Conference was held in the gym and certainly proved a big help to the Juniors and Seniors. Most of the girls, still searching for the right school, had a swell time at the V. I. College Dinner given for V.H.S. Seniors. Several days before the Hi-Y-Foundation Christmas dance the Junior play "Stag Line" was given to finish off the Christmas holiday festivities.

## January

The New Year came in with a bang and before the first week was over everyone had broken his resolutions. The month's schedule was filled with the excitement of basketball games. The 22nd was here before we knew it and it was suddenly time for those mid-term exams. Everyone was quite relieved when the two days vacation following the exams rolled around; everyone except the teachers, that is. They were still working themselves to death grading papers.

## February

The first social event of the month was the dance sponsored by the Junior S.C.A. on the 4th. The Preaching Mission, a highlight of the year, began the 21st of

the month. Each person who attended the mission took advantage of the greatest opportunity that Bristol has to offer. The cheerleaders' dance on the 27th was a huge success. There were floor shows and dancing to the music of "The Saints."

## March

March was quite a month to remember. V.H.S. came home from Richlands with a gorgeous trophy, a symbol of their victories for the district championship. Then there was the trip to Blacksburg when the Bearcats were runners-up for the State Championship. The Athletic Banquet was held on the 19th and a good time was had by all. The girls not lucky enough to get a date for the banquet went to hear the Davidson College chorus. The week of the 22nd will be a week never forgotten by this year's seniors. This was the week of the never-to-be-forgotten trip to Washington.

## April

At last spring had "sprung" and the girls began packing their sweaters and skirts to begin wearing those cool cottons. On the 9th of the month the seventh grade presented the operetta "In Grand Old Switzerland." Career Day was held on the 6th, when the sophomores and juniors had the opportunity to discuss plans for the future with people engaged in their fields of interest. The event of the year, the Spring Festival, took place on the 24th. The occasion was filled with suspense and excitement. The Beta Club Talent Show on the 30th was also a huge success.

## May

The month of outings and summer sports finally arrived. The French Club and Girls' Glee Club took their annual trip to Hungry Mother on the 15th of the month. On the 21st the Senior class presented the play "Charley's Aunt." The following night the Junior Class gave the Seniors the annual Junior-Senior Banquet. The Seniors were enjoying life until the 27th of May rolled around. This was the day that their exams began. The Alpha Foundation's outing took place on the 29th.

## June

These last few days were times to recall and cherish for the seniors. Their outing was held on the 1st, class night on the 4th, and last but certainly not least, commencement on the 7th.

Love,

CELESTE and LOUISE
